STATEMENT OF SUBSTANCE OF INTERVIEW

Applicants' representative would like to thank Examiner Barfield for extending the courtesy of a telephonic interview on August 4, 2005 to discuss this case. The following recordation of the substance of the interview is believed to be complete and proper, in accordance with MPEP 713.04. It is requested the Examiner notify the undersigned if the Examiner believes this statement contains any inaccuracies or if the Examiner believes this statement is otherwise not complete and proper.

Interview Participants: (1) Examiner Anthony Derrell Barfield; and (2) Applicants' attorney, John S. Parzych.

Agreement was reached during the interview.

No exhibit or demonstration was shown during the interview.

Claims 11-14, 16, and 21-35 were discussed during the interview.

The following reference was discussed: Hirose (U.S. Pat. No. 4,563,038).

Applicants' attorney and Examiner discussed independent claims 11 and 30 and the claims respectively depending therefrom in light of the Hirose reference. In particular, in

discussing the claims dependent to claim 11, most notably claim 22, Applicants' attorney noted that Hirose did not seem to "contain" a first portion of a sliding glide track assembly. On this point, Examiner agreed with Applicants' attorney.

No other pertinent matters were discussed during the interview.

Respectfully submitted,

Dated: 9/1/05
